ORIGINE CENTERPIECE BY ALESSANDRA GRASSO

\$355

DESCRIPTION

Inspired by the celebrated painting by Gustave Courbet, this extraordinary centerpiece pays homage to the strength and beauty of the feminine universe. Designed by Alessandra Grasso, it features a solid and refined Gray Carnico marble base on which rise two metal sheets shaped as feminine labia, slightly sloped in order to firmly hold fruit, bread, or dry flower compositions. Also available in Red Antico marble upon request to the Concierge.
