ORIONE CHANDELIER

\$20,790

DESCRIPTION

This elegant chandelier is part of the Orione collection and can be displayed alone on a dining table or in a large entryway, or paired with either the Orione Floor Lamp or the Orione Sconce in a living room for a sophisticated ensemble. The metal structure, opening up from a vertical base, is made of a series of arms supporting the shades. The metal is coated with luxurious 24k gold for a stunning final effect. The electrical system can be adapted to the US upon request.
