ORIONE TALL SIDE TABLE

\$4,190

DESCRIPTION

This tall side table will be a precious addition to a modern home, bringing a luxurious accent into a living room, powder room, or bedroom. Its metal structure is coated with 24k gold, adding a warm glow to the geometric base, shaped like a U with two pairs of crossing legs stemming from its edges. The top is in exquisite Calcatta Oro marble and the striking veins of the stone add a one-of-a-kind decoration to the piece. It can be displayed either alone or paired with the Orione Low Side Table for dynamic effect.
