**ORTO BOTANICO SINGLE VASE BY UGO LA PIETRA**

\$270

## DESCRIPTION

The Orto Botanico Collection by Ugo La Pietra was inspired by ordinary objects used in outdoor gardens that are transformed into elegant and precious pieces by the skillful hands of Tuscan ceramic artist Sandro De Boit. Entirely made of terracotta with external, matte-brown glaze and white interior, the silhouette is characterized by a circular base with pole supporting the remarkable vase, creating an eye-catching, rustic accent for any side table, entryway and living room decor.
