**OSCAR TALL SIDE TABLE**

\$4,170

## DESCRIPTION

Characterized by a classic design with contemporary details, this side table showcases a refined combination of precious materials and organic geometries. The round structure with ebonized finish has slender legs accented with metal caps that are connected to four semicircular elements in a diamond shape. The polished bronze finish of the metal gives a fresh, contemporary appeal to this piece that features a solid walnut wood top. This side table is especially suitable next to a monochromatic sofa in a modern or classic living room.
