OSLO COFFEE TABLE BY GRITTI ROLLO

\$16,700

DESCRIPTION

A stunning addition to a modern interior, this elegant coffee table is part of the Oslo collection designed by Gritti Rollo. It is an object of functional decor that will add sophistication and a unique accent to a living room, thanks to the combination of the noble quality of Carrara marble and a modern silhouette that comprises round corners and striking concave elements on the top, which are both striking and useful to store or display a variety of items. This piece is also available in different marbles, please ask the Concierge for details.
