OSTERIA SET OF 4 MEDIUM BLUE OVAL TRAYS 27X16CM

\$165

DESCRIPTION

Traditional in shape and displaying a classic marine subject, the preciousness of this set of four oval trays lies in the refinement of the white ceramic combined with the sophistication of the blue decorations carried out entirely by hand. This set from the Osteria Decoro Mare Collection features rims accented in blue, which is the same color tone used to paint the crab that adorns the trays' central section.
