OTELLO SALT & PEPPER SHORT MILLS

\$575

DESCRIPTION

Designed for a contemporary dining table, where it will be both functional and strikingly decorative, this set can grind salt and pepper from fine to coarse, thanks to an internal ceramic grinder. The cylindrical shape of both glass mills is framed by a stainless steel top and bottom, both covered in gray leather and adorned at the top with a metal knob with a brass finish. Other finishes for the metal are chrome and bronze, please contact the Concierge for options and details.
