OTTOMAN IN FURS BROWN OTTOMAN BY ANALOGIA PROJECT

\$3,870

DESCRIPTION

This stunning ottoman will add visual and textural dynamism to a rustic and modern interior. A piece of strong visual impact, this round ottoman can be used as extra seating or as striking base for trays or other objects in a lavish living room. Its dark oak plinth base supports a fully upholstered cylinder that combines beige leather and faux fur inserts in a rich shade of dark brown.
