### PARROT MENAGERIE OTTOMANE PORCELAIN DINNER PLATE

\$80

#### DESCRIPTION

This exquisite plate will be a superb addition to both modern and traditional dining rooms to infuse them with distinctive and refined style. Part of the Ottoman Menagerie Collection. A colorful parrot is the focal point of this plate, its green, blue, and red plumage rendered in exquisite detail that approaches reality. The parrot's vibrant colors allow it to stand out against the floral background in white and gray resulting in an elegant dance of lights and shadows. This piece is best arranged with the other five of the same collection.
