OUTDOOR MODULAR SOFA CENTRAL ELEMENT

\$1,850

DESCRIPTION

The central element of a modular sofa composition, this piece is essential for the creation of various combinations of outdoor seatings, from the most basic ones to more complex and dynamic creations. The comfortable pillows are covered with a white outdoor fabric that is crafted to resist the weathering, being waterproof and UV rays-resistant. The structure in powder-coated aluminum supports the stunningly textured frame in woven polyethylene fibers. Other upholstery colors are available, please ask the Concierge for details.
