## OVAL-BACK CHAIR

\$360

### DESCRIPTION

A stunning interpretation of a traditional design, this chair will be an iconic piece in a traditional interior, thanks to the vintage-inspired references, or a contemporary home, thanks to the modern color combination and streamlined silhouette. This elegant and versatile piece was crafted of solid beechwood finished by the expert hands of local craftsmen. The black lacquer of the wood splendidly highlights the airy bottom structure and stunning full oval of the backrest, while the white upholstery of the seat cushion adds a contrasting touch. The finishes can be customized.
