## OVAL CART IN WHITE

\$2,190

### DESCRIPTION

This magnificent piece of functional decor will adorn a classic dining room, while also providing precious storage and display space for food and beverage. The cart's structure is in metal coated with 24k gold that strikingly complements the charming white lacquer of the two oval wooden trays. The handles and legs are boast a combination of "torchon", coiled straight elements and Renaissance-inspired sinuous parts, for a truly dramatic effect.
