OVAL CENTERPIECE WITH FRUIT DECORATION

\$6,750

DESCRIPTION

Elegant and sophisticated, this centerpiece will enrich a classic dining room or living room, with its exquisite craftsmanship and the vivid details of its decorations. The generous, oval bowl rests on a small plinth base and both the areas of the base and the handles are superbly adorned with sculptures of life-like leaves and fruits. The entire piece is made of metal that was silver plated and it doesn't require maintenance.
