Vie del Marmo

OVAL CENTERPIECE

\$740

DESCRIPTION

Striking in its simplicity, this centerpiece boasts a unique design inspired by the world of racing. Its raised edges have a thickness of 4mm and evoke the shape of a speedway while merging it with the ethereal appeal of Statuarietto marble. Available also in Nero Marquina marble, this exquisite object showcases a satin finish carried out by hand by expert artisans. Please contact the Concierge for customization requests.
