BEIGE OVAL ROPE BASKET

\$125

DESCRIPTION

Inspired by traditional and ancient rope knotting techniques, this stunning basket showcases an eye-catching weave in natural rope, held by tan leather strings. The perfect catch-all for keys, mail, remote, and other small items, the sturdy wood base offers support and an alluring textural contrast. This versatile basket can be showcased also outdoor on a patio, boat, or poolside to display fruit, plants, or on a table as a bread basket.
