OVERLOOKING CHEST OF 5 DRAWERS BY LORENZO DAMIANI

\$7,030

DESCRIPTION

This stunning object of functional decor imbue dynamic and sophisticated allure into a modern home. It was designed by Lorenzo Damiani as part of the Overlooking collection and features five drawers in a rectangular structure whose standout feature consists in the five diagonal handles that protrude from the silhouette and can be used to temporarily hold everyday objects. Made of solid Canaletto walnut, this piece can be combined with the others in the same series to create a cohesive look in a contemporary bedroom.
