OVERLYING ARCH BOOKCASE 1967 BY UGO LA PIETRA

\$16,480

DESCRIPTION

This book case features a unique construction comprising a series of various shelves sitting on top of one another. This functional piece of home decor can be accessed from both sides and it is crafted entirely in rosewood with multi-layered edges. The configuration featured here (composition D) creates an irregular arch-like pattern, but this bookcase can be organized in any desired pattern. This piece will enhance the look of any home and will offer ample storage for books or other personal belongings. Designed by Ugo La Pietra, year 1967
