OVERLYING BOOKCASE IN WHITE 1967 BY UGO LA PIETRA

\$23,090

DESCRIPTION

This exquisite bookcase will not only be a functional item but it will be a decorative element in the home as well. This piece was constructed to allow customization by stacking its shelving components, available in either in opaque black or opaque white, into various configurations. The piece featured here (configuration A) was put together to mimic the one exhibited at the Triennial in Milan and also presented in the archives in the MOMA in New York. This unique piece of furniture will make a statement in any room. Designed by Ugo La Pietra, year 1967.
