OWL SCULPTURE

\$600

DESCRIPTION

Stately yet graceful, this striking sculpture of an owl will cast an alluring look in any decor. The swooping silhouette, delicate bill, and regal wings are entirely handmade of ceramic of different colors and textures. This visually striking interplay the smooth, grey glaze and textured, bronze-colored enamel evokes the tactile quality of bird feathers, enriching the composition. A classical silhouette with a modern twist, this piece is a thoughtful gift for a loved one for any occasion.
