Ceramica Gatti 1928

OWLS VASE

\$170

DESCRIPTION

Playful and sophisticated, this vase is part of a series of ceramic pieces that combine abstract and naturalistic decorations to create unique designs for the modern home. In this case, the elongated silhouette of this ceramic vase crafted on the lathe is adorned at the top with a series of horizontal lines that mark the length of its neck, while the body is adorned with a series of branches on which black owls perch, staring intently at the viewer.
