OXFORD 2-SEATER SOFA

\$12,075

DESCRIPTION

This exquisite sofa exudes pure elegance. The wide seat seems to be cut out from the rectangular frame, which is fashioned of plywood and generously padded with 85% polyurethane and 15% polyester fiber. A masterfully executed capitonné design graces the prized natural leather in an ethereal nuance used as upholstery for the whole piece. A 5cm-high metal base completes this luxe design.
