Madina Visconti

OXIDIZED SILVER-PLATED NAIL PENDANT

\$360

DESCRIPTION

Distinguished for its sculptural appeal and industrial-chic aesthetic, this pendant is a striking addition to a minimalist and modern look for both men and women. Handcrafted of silver using the lost-wax casting technique, this nail-shaped pendant showcases a masterfully hand-hammered surface enhanced by the oxidized finish. A standout in any contemporary jewelry collection, this pendant can be gifted as a set alongside the bangle, earrings, and ring from the same collection for a complete look.
