OZ ROSE GOLD CEILING LAMP

\$1,450

DESCRIPTION

Part of the OZ collection, this striking ceiling lamp can be displayed alone or combined with others in the same series for a dynamic effect. The hollowed out sphere that functions as shade is of mouth-blown glass and is attached to a metal triangle that gives it a contemporary accent. The metal has a rose gold finish that creates a delicate ambiance. The LED bulb creates a stunning blade of light and is available in many different colors (2550°K, 3000°K, 4000°K, 6200°K, or Dynamic White 2550-6200°K) with optional DALI dimmer. Please ask the concierge. Contract and commercial certifications available upon request.
