DESCRIPTION

A striking union of traditional craftsmanship and modernist aesthetic, this one-of-a-kind rug will make a statement in any decor. Entirely hand-knotted in Nepal from hand-spun wool, silk, and linen, this rug features a tribal design of overlapping rectangles marked by zig-zag edges and irregular shapes. The tribal allure and the rug's 100-knot density create a striking lightness that distinguishes this piece. Standard sizes: 170x240, 200x250, 200x300, 220x300, 250x300, 250x350, 300x400, 350x420, 350 x500, 400x600 cm and 250x250, 300x300, 400x400 cm. Customization is available.
