PACE SILVER TABLE BY GARILAB BY PITER PERBELLINI

\$6,810

DESCRIPTION

Defined by its striking base design, this table has an aluminum frame with a chromed finish and a round top made of extra-clear glass that reveals its sculpted, geometric base. Aptly named Pace ("peace" in English) for the iconic peace sign formed by the intersection of the aluminum strips below, this innovative and modern table can be placed in the center of a dining room as a striking focal point.
