PACE WHITE CHAIR BY GARILAB BY PITER PERBELLINI

\$2,340

DESCRIPTION

Raised on a tulip foot with a peace sign shape, this chair has an attractive minimalist look that blends comfort and style. Ideal for residential as well as office interiors, this easy chair is made of aluminum with a black finish and features a fabric conical seat in the classic black-and-white color combination with the same iconic logo. Suitable for both modern or traditional decors, this chair will make a statement in any room to complement a minimalist desk or accent a corner in a living room, especially when paired with the side table from the same collection.
