PALIO CUSHION

\$590

DESCRIPTION

Named after the horse race held in Siena, this stunning cushion boasts the elegance of traditional patterns, enlivened with an opulent gold and blue color combination. The soft down padding gives comfort to any seat or bed, while the silk velvet of its upholstery, entirely crafted by hand, makes this a superb object to display alone or with others for a dynamic look. A blue silk fringe frames the sinuous design of this piece for a strong visual effect.
