PALM AQUAMARINE AND BLACK FLOOR LAMP

\$2,025

DESCRIPTION

A singular and captivating design of strong visual impact, this floor lamp will be an extravagant focal point in a modern living room or home office. A superlative combination of materials, it rests on a burnished brass base and features a sculptural main body composed of truncated cone-shaped ceramic elements alternating black and aquamarine hues, elegantly contrasting the spherical shade in satin glass. This piece is customizable in colors upon request.
