PALMETTE NERO OVAL PLATTER

\$310

DESCRIPTION

This oval platter is a superb object of functional decor that can be used as centerpiece to permanently display fruit or collectibles, serve food, and accompanying the other items in the Palmette Collection. This elegant series, crafted of fine porcelain, is adorned with a Neo-Classical motif that repeats the anthemion pattern, distinctive of ancient Greek and Roman art, in a black color. Finished with a pure gold accent that lends a precious quality to this sophisticated style, this series is also available in black and platinum, yellow and gold, green and gold, and light blue and gold.
