PANAMA CASHMERE THROW

\$2,855

DESCRIPTION

Made of 100% cashmere, this elegant throw is a superb accent to display on a sofa, armchair, or bed. Its extraordinary softness, lightness, and warmth are obtained by weaving the fabric on slow looms with wooden shuttles, allowing the use of soft yarns, usually devoted to knitting. Its neutral colors and exquisite craftsmanship finished by hand make it suitable for both a classic and a contemporary interior.
