## PANTELLERIA BAR CABINET

\$12,240

### DESCRIPTION

Crafted with utmost attention to detail, this bar cabinet is a unique piece of functional decor that exemplifies the perfect fusion of form and function. The glossy lacquered wooden frame is enriched with brown and black gradients. Raised on a bronzed metal base, the top features three sections: an open mirrored shelving in the center and two lateral units with doors with inside a well-organized space with crystal shelves, leather drawers, interior lighting, and a mirrored back. This cabinet will be a striking focal point in any interior decor.
