PAPALINA TABLE LAMP

\$410

DESCRIPTION

This elegant table lamp is part of the Papalina collection, featuring pieces of borosilicate glass that were mouth blown and crafted by hand. The bottom part of the piece was sanded and then colored with specific pigments to achieve a unique tinted, sophisticated effect. The transparent cable is 180 cm long and the bulb is a halogen E27 with a max of 40W. Either alone, in a study, living room, or entryway, or paired with the Papalina Ceiling Lamp, this piece is sure to make an elegant statement in a contemporary home.
