PARADIGMA SIDEBOARD

\$4,890

DESCRIPTION

A striking addition to a contemporary decor, this sideboard is also a versatile storage space equipped with four doors. Entirely made of durmast and resting on a structure made of iron with a natural finish, this elegant piece of functional decor will make a statement in a living room or dining room. Its front panels are crafted of slatted solid durmast arranged in squares, some of them in bas-relief that function as handles, creating also unique shadows.
