DESCRIPTION

Timeless in its simplicity, this necklace revisits classic elegance with modern flair. Fashioned of 925 silver, this exceptional Princess-style necklace has a charming silhouette marked by a bold neck element affixed to a dainty Rolo chain. The focal piece has a sinuous, organic background upon which are added silver accents (bone, leaves, caterpillars, and leaves) and precious ruby, amethyst, and citrine stones. The lobster-claw clasp allows for easy wearability. Worn as a decolletè or back-worn necklace, it will shine on any occasion. Available in gold, price on request.
