PARALLEL TALL CHAIR

\$11,130

DESCRIPTION

A superb contemporary piece of functional decor, this chair is the tall version of the Parallel Chair. The piece boasts a metal structure comprising a base with a two-element diagonal leg that supports the seat from which stem the backrest and headrest that create a mirrored silhouette with the base. This unique design will make a statement in any room of a modern home and will provide with comfortable seating, thanks to the fully cushioned surface with tufted nubuck upholstery. The seat measures 44 cm in height.
