PARROTS VASE

\$1,120

DESCRIPTION

The sinuous lines and smooth, ivory-colored surface of this amphora-shaped vase are characterized by two striking figurines of parrots in relief, flanking the sides and flared mouth and serving as handles. Entirely painted by hand, the birds infuse a dynamic and elegant accent to this piece that will be best displayed in a living room or entryway decor, adding a pop of color and one-of-a-kind liveliness to any interior.
