PASSAMANERIA TASSELS VIDE POCHE

\$145

DESCRIPTION

Simple form meets function and quality to make ordinary an object into an extraordinary piece of functional decor. Part of the Passamaneria Collection inspired by the vintage fabric passementerie, this porcelain vide poche is decorated entirely by hand with four tassels in vivid colors in the center and a light blue and golden twisted cord along the internal rim of the flared border. A simple piece with a sophisticated flair, this piece is also available in the ashtray version, the two pieces making a splendid gift on any occasion.
