## PATCHWORK DECOLORIZED 5 CARPET

\$6,490

### DESCRIPTION

This magnificent piece of floor decoration will instantly enhance the look of any room, giving it a welcoming accent, thanks to its warm colors. Entirely handmade using the patchwork technique, in which pieces of vintage rugs are cut, dyed with monochromatic vegetable substances, and then sewn together with precious yarns, this carpet still displays the various decorative patterns and different hues of the original pieces, while retaining a consistent style.
