## PAUL RECTANGULAR GRAY LEATHER TRAY

\$410

### DESCRIPTION

A vide-poche on an entryway console or a decorative dining table centerpiece, this minimalist-inspired tray is a testament to expert craftsmanship and modern aesthetic balance. The rectangular wood profile is upholstered in a supple gray leather that effortlessly complements the silver-finished, C-shaped handles that frame the piece. A tray to serve drinks and food and a refined centerpiece to display small objects or candles, this is a must-have accessory in any modern home.
