PAULINE GREEN LOVE SEAT

\$4,450

DESCRIPTION

Part of the Pauline Collection, this elegant loveseat is an ideal sofa to add comfort to a small entryway, extra seat to a living room, or a plush accent to a bedroom. Its welcoming silhouette is distinctive for the enclosing design of its armrests and the absence of any sharp corner. Exuding a chic retro style in the elegant matte lacquered tapered legs with glossy chromed metal tips, this sofa will be ideal to both relax and entertain. Its seat is 39 cm high, while the comfortable padding is upholstered with a vibrant shade of emerald green.
