PAVONI LARGE PAPER AND LEATHER ALBUM

\$165

DESCRIPTION

This superb photo album is the product of exquisite craftsmanship and artisanal expertise. Its 50 pages are protected by a cover that is adorned with handmade paper decorated with the marbling technique and a design called "pavoni", a pattern that evokes the majestic tail of a peacock repeated in horizontal lines. The color combination of grey, orange, yellow, and blue is elegant and complements the precious leather bound spine with raised bands.
