PEGASO FLOOR LAMP

\$3,360

DESCRIPTION

This striking floor lamp is an exquisite balance between modern style and classic tradition and will be suitable for a contemporary decor. Its adjustable structure is in metal, which rests on a solid base in precious travertino marble and supports a shade crafted according to the traditional Murano techniques. The glass is mouth-blown into a structure in polished steel that creates a unique drop-like shape. The lightbulb is E27 max 150W (available also UL E26 max 60W). Contract and commercial certifications available upon request.
