PEGGY ARDIS BAG

\$1,560

DESCRIPTION

The ideal day-wear companion, this bag merges modernist charm with traditional craftsmanship. Subtle details make this bag one-of-a-kind: the soft Ardis velvet effortlessly contrasts with the structured, trapezoidal silhouette, while the exceptional sea-blue color enhances the intricate, velvet pattern in relief to create a stunning visual and textural contrast. Two golden rings connect the single metal handle to the top flap for a delicate finishing touch. Inspired by the famous art collector Peggy Guggenheim, this iconic bag will elevate any wardrobe with its vintage allure.
