PEGGY PALMYRA BAG

\$1,560

DESCRIPTION

Urban chic meets classic design, the artistry of this bag lies in the subtle details. The trapezoidal silhouette contrasts effortlessly with the soft stone-colored "Palmyra" velvet exterior, for a visually striking effect. The taupe color enhances the intricate, iris craquelé-Renaissance pattern in relief covering the bag. A single metal handle is connected to the top flap by two golden rings, a stunning finishing touch. Dedicated to the famous art collector Peggy Guggenheim, this iconic bag radiates elegance and sophistication and is the perfect casual or formal accessory for the modern woman.
