PENDOLO CHAIR SERIES 1 GOLD

\$4,930

DESCRIPTION

Part of the signed and numbered Pendolo Collection, this chair combines sharp, geometric lines in a harmonious and graceful design that will elevate the style of any dining room. Surprisingly sturdy, the ethereal silhouette features a square seat supported by five mirrored-gold metal legs, the extra one in the back extending up to support the black wooden medallion backrest. Using the ancient Japanese "Shou Sugi Ban" technique, the charred surface of the wood is obtained with high flame and subsequently subjected to a slow vitrification process.
