PENELOPE CHAISE LONGUE

\$8,280

DESCRIPTION

Designed in collaboration with Matteo Donghi, this stunning chaise is a new spin on an iconic form. The minimalist design has a frame handmade of solid walnut, with an ergonomic seat upholstered in rich Tuscan leather that come together for a look that is both classic and functional. The crossed, slot-in joints between the leather parts offer a soft, natural support, while the inclination is adjusted by sliding the seat on two brass tubes on which the seat rests. The supporting base has four tapered feet with polished brass ferules. Matching custom padded cushions available upon request.
