PEONIA PANEL #8

\$1,410

## DESCRIPTION

A meticulous, hand-carving technique carried out by expert artisans brought this decorative panel to life. Part of the aptly named Rifiorire Collection (meaning "to bloom again"), this square decorative panel boasts a background of tulipwood stained in a vibrant hue of blue from which emerges a blooming peony carved out of top-quality maple wood. Any small imperfection is proof of the piece's excellent artisan quality.
