PEONIE WALLPAPER

\$700

DESCRIPTION

Lushly arranged peonies in bloom distinguish this exquisite wallpaper that will make a superb statement in any room. Exuding vintage allure, the elegant hand-painted brushstrokes and delicately drawn fans emerge from the brown background. This magnificent wallpaper is showcased with a sequence of alternating dark and light panels to create a dynamic interplay of lights and shadows, but it can also be displayed as a single panel to serve as a statement accent in a living room, master bedroom, and foyer. Price is per square meter, please indicate color when ordering.
