## PEPERONCINO CHAIR

\$4,080

### DESCRIPTION

Recalling the shape and color of a chili-pepper, this sculptural chair delivers a strong visual impact with its lively silhouette comprising a lime wood back hand-finished in water-based red paint, all supported by hand-forged, black powder-coated steel legs. The irregularly shaped epoxy resin seat is enlivened by real red and yellow leaves and cannot be reproduced exactly, however, can be customized on request, ask the Concierge for details. Fire-branded signature and certificate of authenticity included. Customization requires 30 to 40 days from order placement.
